Welcome to the Rhythmic Gymnastics World Tournament CAPELLA

Our first online tournament Nova Star RG was an unprecedented success! On the second of September we welcomed 72 athletes from 9 countries! And just two month later, on November 22, Regina RG Tournament made a huge wave across the globe with 156 competitors from 12 countries.

We are happy to see the excitement at Capella Star registration. Coaches and gymnasts appreciate the ease of registration and timeliness of professional judging. After careful selection of judges by the head judge Svetlana Jukova, the scoring is a breeze with necessary tools and focus on each athlete! With uventex Labs' high quality tournament and judging platform, the focus is on gymnasts!

At Capella, we declare

*Rhythmic Gymnastics is a sport of incredible value -
Lifelong health, clear mental state, physical well-being and
social maturity .*
